## Karen Douvier

One minute she danced and laughed and sang
and loved the joy that life brang.

Then, in a moment of that night,
God ordered her life to cease in spite.

Her fight for life was short, but strong,
She wished her fate with God was wrong.

Now we're sad and all do weep,
She's with us now and in our sleep.

We say good-bye on this cold day,
And now she hears in her own way.

Our life is cold; our heart left barren,
Memories remain of our friend Karen.

# Footprints

One night a man had a dream. He dreamed he was walking along the beach with the Lord. Across the sky flashed scenes from his life. For each scene, he noticed two sets of footprints in the sand: one belonging to him, and the other to the Lord.

When the last scene of his life flashed before him, he looked back at the footprints in the sand. He noticed that many times along the path of his life there was only one set of footprints. He also noticed that it happened at the very lowest and saddest times in his life.

This really bothered him and he questioned the Lord about it. "Lord, you said that once I decided to follow you, you'd walk with me all the way. But I have noticed that during the most troublesome times in my life, there is only one set of footprints. I don't understand why when I needed you the most you would leave me."

The Lord replied, "My son, My precious child, I love you and would never leave you. During your times of trial and suffering, when you see only one set of footprints, it was then that I carried you."

This past year has created many good and bad memories for a lot of people, but for many Seniors, 85-86 was a great year. The year started out with the victorious football team, and of course, the very enthusiastic cheerleaders. The Seniors played a major role in all of the sports and organizations throughout the year.

The Student Council succeeded in making the year exciting with the first Annual Christmas dance and other enjoyable events such as the Homecoming and Sno-Daze festivities. The candidates & MC's for these particular events experienced many memorable moments of shared excitement while Kings and Queens were crowned and dances and parties served as enjoyable events for all to participate in.

The Annual Staff members tried their best to capture these exciting times so that all can be remembered many years down the road.

As the Seniors of the Class of 1986 await the last days in their preparation to graduate from Albany Senior High, many festivities are still on hand to enjoy and pass away the time until the day finally arrives when they will say good-bye to high school once and for all. It will be a sad time, yet a happy time, for recalling the memories of the fun times that

The friends we have cannot be replaced.
They are made of rare material, that takes years, tears, and joys to make.
So when we part, remember all of the memories we had together and that should bring a smile.

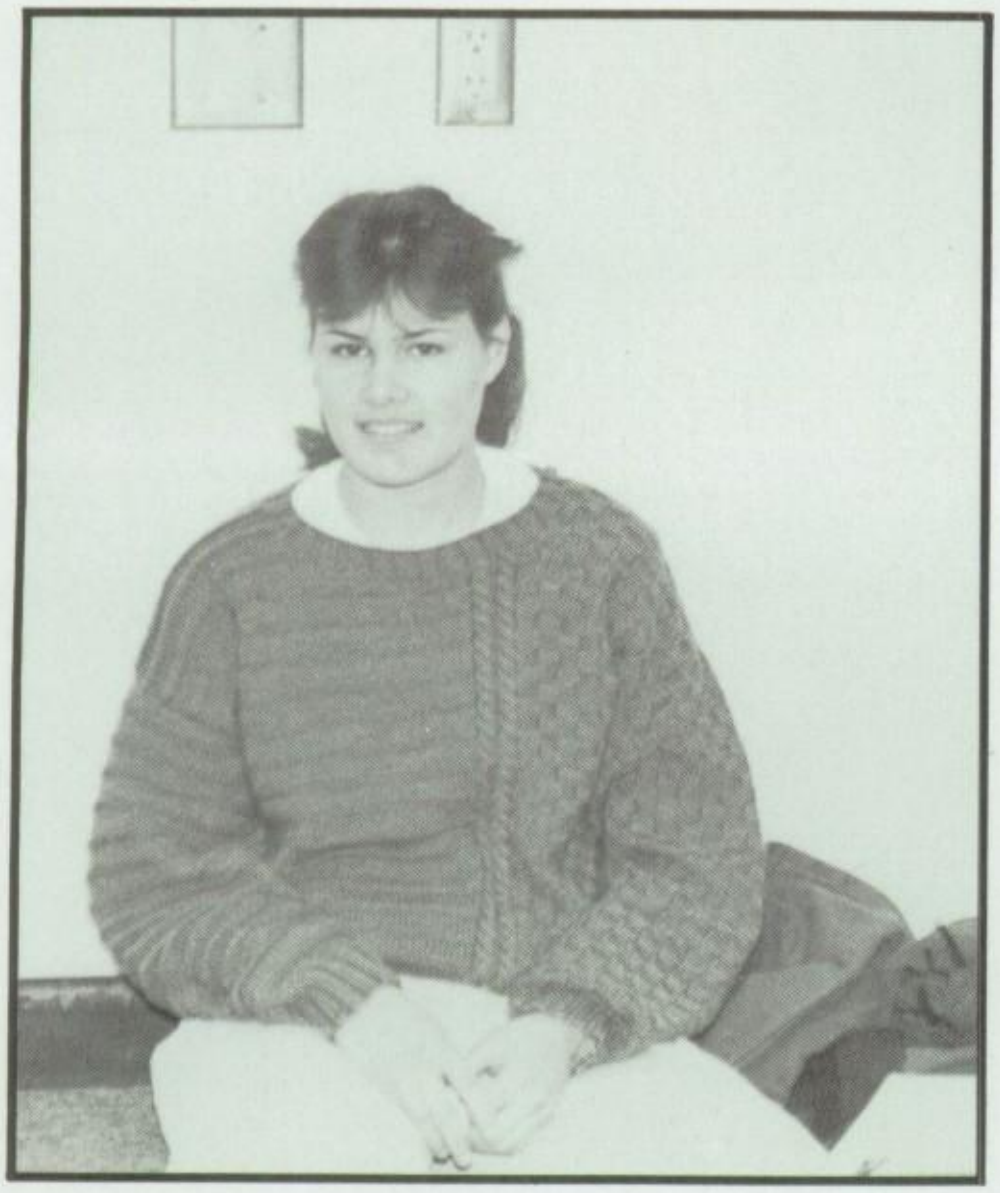
# Foreign

My name is Rocio Zarate, and I come from Mexico last September 10th. I'm come to U.S. for learn English. In Mexico I lived with my mom, dad, and four brothers. In here I lived with the family Waldorf. In this country I had many wonderful experiences, that I will not forget. I like the beauty of the snow, the lakes, the snowmobiling; etc. My hobbies are: play tennis, to dance, swimming. I want to say thank you to all of you that helped me and understand me, especially to Mr. Griffith for giving this opportunity, which I really appreaciate. My future plans consist to finish my school, study French after English, and then wish to get a job and travel around the world.

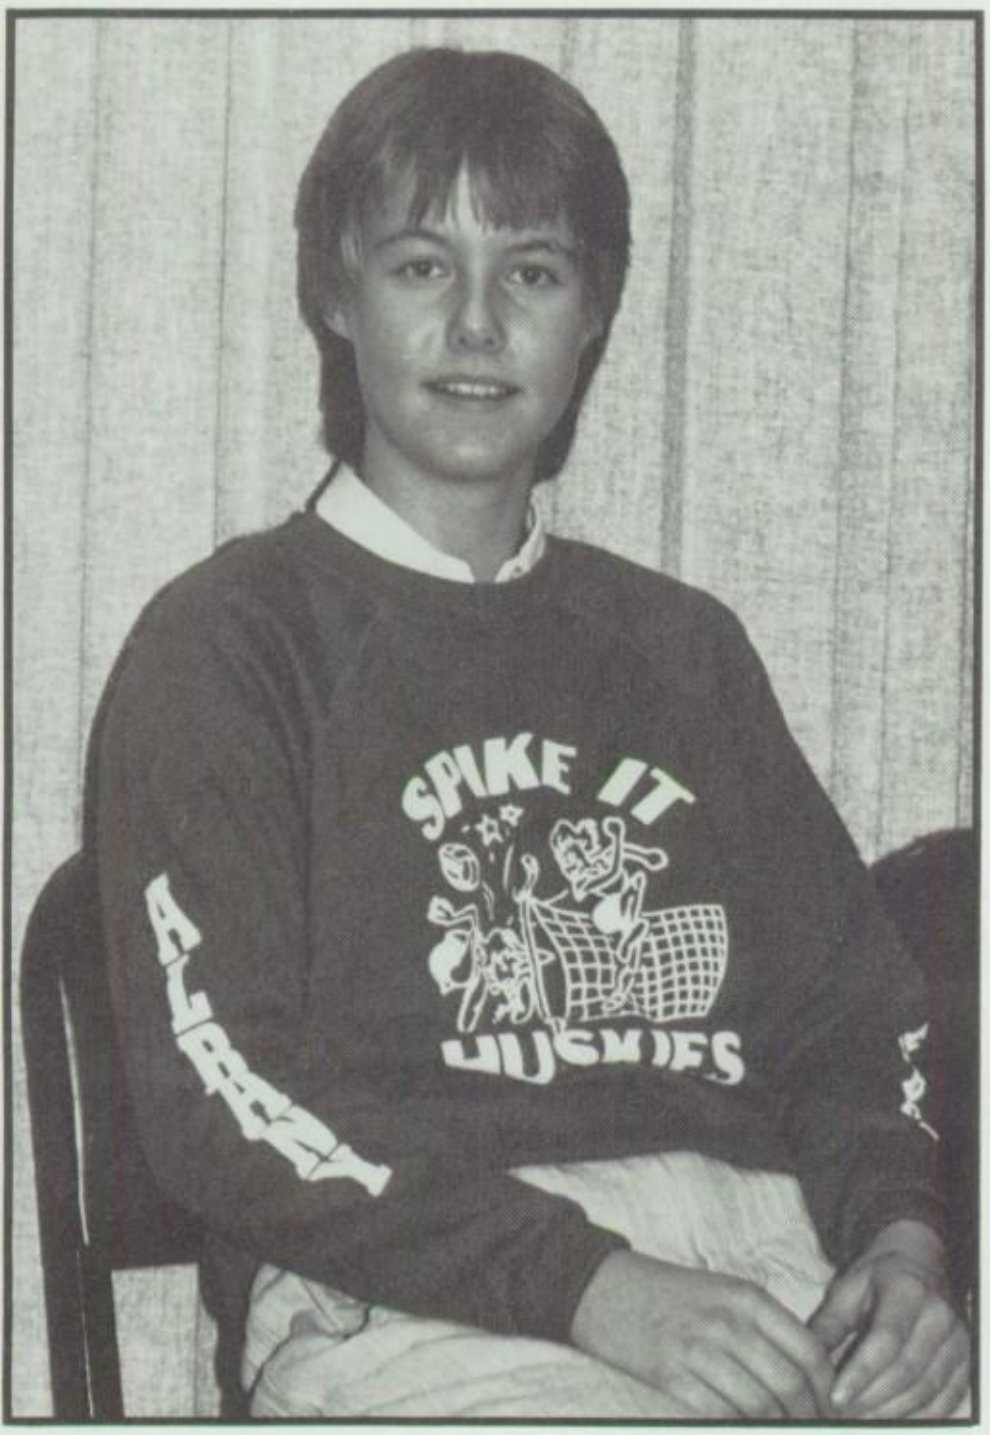
Rocio Zarate



Fleur Beemster

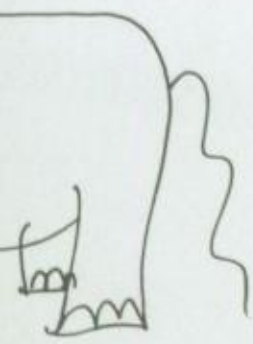
I'm real glad that I had the opportunity to attend the Albany High school for one year. I liked the school a lot and I want to thank everybody who had helped me this year and made this year such a great year for me! I have met a lot of new people in this school system. My English is much better since I came here. I learned a lot of new words like: cute, weird, neat, just kitting, embarressing etc. and of course I enjoyed the sports of this school! None of the sports that I joined in this school did I join in Holland, I really liked it. With other words to be an exchange student is great especially in my case because I had a great family too! Fleur PS: I'll see you, when you get a chance to come to Europe! PSS: To the teachers; I'm sorry that I wrote dutch letters in my classrooms so you couldn't read it!!

# Exchange



Why did I come here? Basically to learn more and better English. But after the first few days I had to completely change my mind. These people ruined my proper British pronunciation! But never mind . . they were so nice to me, and after a while I could even understand what they were saying!!!!Thanks to those who made my stay easier to talking and joking with me every once in a while. Special thanks to my French class — though they caused laugh and heart attacks, I enjoyed my 5th hours.Yes, people were nice. If they could only keep us straight! Thanks to Analysis. I can now express this problem in mathematical form: I am either Hanna or Ute.I am not Hanna.Conclusion????All together: I had fun, time went by fast---too fast! Ute

Ute Langrock



Analysis: There are two German girls in Albany. Hanna and Ute. I'm either Hanna OR Ute. Hanna got very blond hair and glasses. I have very blond hair and glasses. Conclusion: .... By the time that you'll read this, I'll be in Germany again for a long time. I really had a great time here and so I want to thank everybody who was so kind (and PATIENT!) to me which made this time here unforgettable for me. Special thanks to Susan, Wendy, and Tanya. It was a real experience for me to stay here as an exchange student, and although I didn't like *all* of the things here (but *MOST* of them). I enjoyed my time here very much. I think I'm gonna miss you ....Elephants, Halloween, speech class, WEIRD, New Munich — wild(?) place, Nikon Commerical = typical American?, snow, horror movies, parties, AMERICAN FOOD (!), hippos, turtles, "Relax your body", camera, DQ, 101,92, Stearns County Syndrom, apples, EEEEndschiiie, killers, friends, brrr!, John: "I hate those _____ turtles!"; FUN Hanna Prandl

# Sports 1985-86

The 1985-86 Sports year was an experience the AHS members will not forget. The football team showed their excellence and dedication to the sport by finishing off the year with the Central Gopher Championship. There were some very interesting things that happened this year. Jamer Babcock was known for kicking the football into the flagpole instead of the goal. After the game with Henry Sibley, who tried to show us how to play football, they ended up doing wind sprints for losing by a large margin. We finally won our game against Paynesville by a triple overtime.

There were some injuries this year. Steve Rueter has a secret of being on the disabled list, and was giving them to Kevin Ricker, who seemed to have a SEVERE knee problem!! Also, the girls basketball team suffered quit a few injuries, including the game where two very outstanding members broke very important bones!!

The volleyball team had a very interesting season with the help of their new coach. Connie Stangler had a large problem with the season, every time she would set the ball, she would break one of her long vicious nails. All of the girls had a good time as well as a good workout!!

The boys basketball team also had some injuries, One that came to everyone's mind was Jody Wolf's injury!! They worked very hard and also enjoyed the season. But sometimes a few of the players would get a little out of hand. Dick Pundsack, Mike Schmainda, and Troy Jansky would often make the mistake of which sport they were playing, and would tackle the other team!

Our victorious wrestling team once again advanced to Regions. It must have been from the practices that they had. For example, the times that they would tie up Joey!! Or when J. T. pinned N.H. The members of the track team were very anxiously awaiting their season's beginning. Brandyn Butz, and Glen Henneman were two of the most ambitious. They could be seen jogging around the town in their sweats during the coldest winter months. DEDICATION!!

Overall, the teams all did a superb job in representing AHS!! They were very didicated, ambitious, and they deserve to be recognized!!

GOOD JOB!!!

The **Annual Staff** is a team which consists f many dedicated and hard working indivi- uals. There is a lot of work involved when ealing with the yearbook. Pictures must be aken, 3C forms must be filled out, pictures ust be stamped, and cropped, ads and an- uals must be sold, and of course, layouts ust be drawn and redrawn and redrawn ..

Imagination and creativity are skills the aff must have in order to create such a emorable book. In order for the students to ave their annuals before the summer, the aff must put forth a lot of time and effort. The members will remember: Deadlines, 24 a.m., late nights — early mornings, 7th our gossip, "Tweety", "Hatchet", "Ba- ana", "Sugar", "Rosy", "Herb", "this is onna bo sooo bad", the candy machine, our rseys, Lori and Donna's cartoon men, Our vard!, "dedicated workers", camp in N.D., eets and windows, "It's way outta control!" - FAMOUS LAST WORDS!!

Oh no! I forgot to do my pages!

No, I won't do annual tonight!

The **Drama Club** has become one of the most active and successful groups at A.H.S. under the direction of Julie Christenson. The group's main purpose is to teach students self-expression and creativity through participation in dramatic productions, not only on stage, but behind the scenes also.

The group's two productions for the year were a full length and one-act play. The full-length play, *"May the Farce Be With You,"* was a huge success. It was a comedy-farce about the Elite Idealistice Earth Individual's Organization (the E.I.E.I.O.) and their adventures at their headquarters, O. MacDonald's Farm, a health resort. *The resort is* invaded by the evil forces from Inferna, and the E.I.E.I.O. must step in and save the day. The play was performed for the public, and enjoyed by all.

The one-act play, *"Oh Baby,"* was a comedy about an awkward boy who gets roped into baby sitting by the girl he admires and ends up getting more than he bargained for. The one-act was performed for district competition, which was held at Albany this year.

Club members also attended workshops on theatre and performances of famous plays.

Activities included singing at the homecoming coronation, a winter concert with the junior high choirs, a visit to Southdale Mall to entertain Christmas shoppers, and the production of the musical *YOUR A GOOD MAN CHARLIE BROWN*. Plans for the future are a trip to Six Flags Amusement Park in Chicago, a trip to the Black Hills, and many more years of successful singing.

For example, Troy Bueckers was featured as Rambo and Rich Studer dressed as a famous New York ballerina and entertained us with his rendition of Swan Lake.

The club's main fund raiser of the year was the Homecoming button sale. This money was used for the annual Senior Letterman's fishing trip in the spring. The group also attended a North Star hockey game in February.

# Speech

*Row 1:* Cherise Wade, Katy Daly, Tanya Nelson. *Row 2:* Wanda Kalthoff, Lynn Birr. *Row 3:* Ms. Smeija (coach), Gwen Mewes, Mr. Daly (coach), Shelley Dickinson.

**Speech** is an excellent extra-curricular activity for students interested in expressing themselves through speaking. Students can compete in eleven categories. Humorous, Serious Prose, Serious Poetry, Serious Drama, Non-Original Oratory, Original Oratory, Storytelling, Discussion, Extemporaneous Speaking, Extemporaneous Reading, and Creative Expression. Invitational meets are held on Saturdays and students present a speech they have prepared. The personal feelings of achievement and honor are very fulfilling for those who place at the meets since the competition is very stiff, but most who have participated will agree that the rewards gained from speech are many.

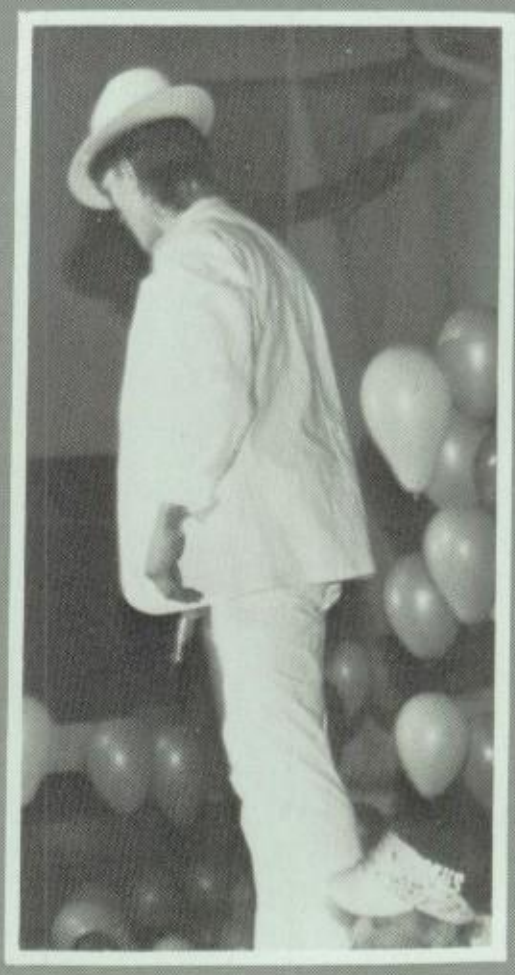
# Sno-Daze

"Would you like some tea?"

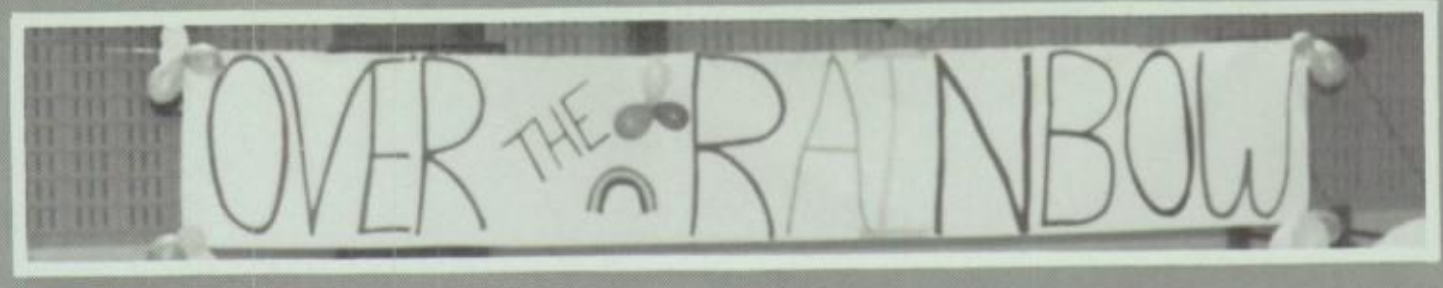
FER SURE!!

"SO, do you think the SENIORS will WIN again??"

"Don't ya just hate that ...



Miami Vice???



Oooops!!!

"Hi MOM!!"

when that happens!!"

"We're way outta control!!"

Sno-Daze '86 ... not as fun filled as past years!! Because this event was scheduled on the same week as finals week, there was not much participation in the dress-up days ... but the famous "Battle of the Classes" was a great success, with the SENIORS sweeping away the title!! The Coronation was also very exciting, with the crowning of the King and Queen, and the very unusual skits ...

Friday night's dance did bring a flow of relief to those students who were bombarded by as many as four tests that day. Kustom Klassics entertained with a new type of music which went over quite well!!
